

# ROCK VALLEY COMMUNITY SCHOOLS

Educating Today's Students for Tomorrow

March 18, 2020

Dear Parents and Community Members,

We are all facing a new reality in uncertain times. Rock Valley Community School District is announcing a program for ALL children in Rock Valley, regardless of the school they attend. FREE meals will be provided to ALL children, ages 0-18, Monday-Friday. This meal will consist of a lunch for that day and breakfast for the next day. The meal will be a cold meal in the form of grab-n-go. Meals may be picked up at the following locations:

- Faith-Reformed Church
- United Methodist Church
- Rock Valley City Park

To practice social distancing, we will use the following practices to hand out the meals:

- If you drive, do not get out of your vehicle. We will form a drive-up line and simply hand them to you.
- If you or your children walk please do not bunch up into large groups.
- The meals may not be eaten at the designated hand-out locations.
- Please do not stay and visit so we can keep lines moving.

**We ask that that you fill out a google form to let us know how many kids you have that will get a meal and the location where you will pick it up.** This will help us know how many meals to make and how many to have at each location. Please try to fill this form out by Thursday at 5:00. Please continue to sign up even if it is after this. Help spread this information and the importance of filling out the form so we have enough meals prepared.

Here is the link to the form: <https://forms.gle/Hi7WJNx1zC8CK5G68>

Questions regarding this can be directed to school administrators.

Thank you and please be safe.
